OFFICIAL PUBLIC STATEMENT

ASSAULT ON A SECUREX SECURITY OFFICER

Kampala, Uganda

Securex Agencies Uganda Limited is deeply concerned by a video circulating on social media showing one of our security officers being assaulted while handcuffed at a client's site in Buyende.

We unequivocally condemn this assault and all forms of degrading treatment. No allegation justifies such violence. All allegations must be addressed through lawful procedures and due process.

The two individuals involved are not Securex employees. They have been identified as Okech Moses and Kiige Alex, employees of Kiderra Sugar Limited attached to its factory in Buyende District. Both have been apprehended, and the matter is recorded under SD 08/24/09/2026 at Iringa Police Post and CRB 304/2026 at Buyende Central Police Station.

Our immediate priority is our colleague's safety and welfare. Our team remains on the ground in Buyende to support him and assist the Uganda Police Force with its investigations. We are committed to supporting efforts to hold those responsible accountable through the legal process.
